First Church of God of Palmetto, Inc./Project Hope
Notes to the Financial Statements
As of and for the Year End June 30, 2014

1) Organization

Palmetto Church of God-Project Hope (The Company) was formed in 1997. Project Hope is a drug and alcohol prevention program for the Palmetto Community in St. Landry Parish. Youth leaders teach decision-making skills with accompanying alternative Alcohol, Tobacco and Other Drug (ATOD) activities. A parent group was established to secure the support of parents with their children and to commit the community to non-ATOD activities sponsored for two youth age groups (6-11 and 12-18).

(2) Summary of Significant Accounting Policies

(a) Financial Statement Presentation

The financial statements of The Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables and payables.

The Company has adopted FASB Accounting Standards Codification (ASC) 958-205, Not-for-Profit Entities, Presentation of Financial Statements (formerly Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-For-Profit Organizations"). Under FASB ASC 958-205, the Company is required to report information regarding its statement of income according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Company has determined that any donor-imposed restrictions for current program were generally met within the operating cycle and, therefore, the policy is to record these net assets as unrestricted. The Company has only unrestricted net assets as of June 30, 2014. In addition, the Company is required to present a statement of cash flows. As permitted by the statement, the Company does not use fund accounting.

(b) Revenue Recognition

The Company has also adopted FASB Accounting Standards Codification (ASC) 958-605 Not For Profit Entities, Revenue Recognition (formerly SFAS No. 116, "Accounting for Contributions Received and Contributions Made"). Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

(c) Cash and Cash Equivalents

Cash and cash equivalents include bank deposits.

(d) Receivables

Receivables consist primarily of contributions expected to be received shortly after year-end. The Company records receivables at net realizable value using the allowance method. There are no identifiable concentrations of credit risk related to these amounts.

(e) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

(f) Income Taxes

The Company is exempt from federal and state income taxes under Internal Revenue Code Section 501 (c) (3).

The Company is not aware of any course of action or series of events that have occurred that might adversely affect the Company's tax status.

(g) Property and Equipment

Acquisitions of property and equipment in excess of \$500 are capitalized. Lesser amounts are expensed.

Depreciation is calculated using the straight-line method over the estimated useful lives .

(h) Contributed Services

The value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time that assist the Organization, but these services do not meet the criteria for recognition as contributed services.

(i) Gifts-in-Kind

Contributions include gifts-in-kind of rental of the Church of GOD Campground facilities in the amount of \$ 20,000 from the Church of GOD.

(j) Functional Expenses

Expenses are charged directly to program or supporting services based on specific identification, if possible. For those expenses where specific identification is not practical, an allocation of shared expenses is done.

(k) Subsequent Events

Management has evaluated subsequent events (FASB ASC 855-10-50-1) through December 08, 2014, the date the financial statements were available to be issued.

3. Description of Program and Supporting Services

Palmetto Church of GOD/Project hope will provide Alcohol, Tobacco and Other Drug Prevention Services to reduce risk factors in youths through multiple domains of individual, family, school, peers, and community and will strengthen resiliency to use. Information dissemination, prevention education and alternative to drug use are the strategies to be used. The goal of the program is the prevention or reduction of alcohol, tobacco, and other drug use by high risk youth and or the problems associated with sure use that interfere with the achievement, maintenance, and restoration of optimal health at the individual, family, peer and community levels.

Project Goals/Objectives

Project Hope's Goal: the prevention or reduction of ATOD use by high risk youth and of the problems associated with sure use that interfere with the achievement, maintenance and restoration of optimal health at the individual, family, peer and community levels.
